

DANIAH DE VILLIERS - Actress/Vocalist/Wild Life Advocate

Daniah is a 17-year-old passionate young actress pursuing her dreams to the full by utilizing her diverse skill-set and multi-faceted talents.

Daniah is a well-known South African actress who has visited numerous countries doing interviews, promoting movies and advocating the protection of wild animals. She also received an award in Italy for her acting.

Despite her young age, she is already a well-trained and experienced actress with considerable time spent in front of the camera.

During 2013 Daniah was awarded the Junior Grand Champion award for acting at the World Championship of Performing Arts in Hollywood, Los Angeles

She also won the Junior Grand Champion award for vocal duet together with her sister, Jedijah, at the WCOPA.

After coming to the conclusion that “this is what I was born for and called to”, her career was jumpstarted as a participant in various local and international adverts on radio and television.

At the moment she is busy with more than one international and local films and series.
